INAFSM AWARDS

Excellence in Stormwater Management Award

Established in 1997, this award recognizes an outstanding stormwater management program or an outstanding stormwater manager. This award may be bestowed annually upon a local unit of government or an individual, affiliated with the state or a local government, who has consistently demonstrated leadership in the area of stormwater management and has instituted a pro-active approach consistent with the INAFSM vision of sound water resources management in the State of Indiana.

Outstanding Stormwater Project Award

Established in 1998, this award recognizes an outstanding stormwater project studied, designed, or constructed by a firm for a local unit of government or a private entity. This award may be bestowed annually upon both the "representing firm" and the "project owner".

Excellence in Floodplain Management Award

Established in 1997, this award recognizes an outstanding floodplain management program or an outstanding floodplain manager. This award may be bestowed annually upon a local unit of government or an individual, affiliated with the state or a local government, who has consistently demonstrated leadership in the area of floodplain management and has instituted a pro-active approach consistent with the INAFSM vision of sound water resources management in the State of Indiana.

Outstanding Floodplain Project Award

Established in 1998, this award recognizes an outstanding floodplain project studied, designed, or constructed by a firm for a local unit of government or a private entity. This award may be bestowed annually upon both the "representing firm" and the "project owner".

Excellent Strides in Floodplain Management Program Award

Established in 1998, this award recognizes the most improved floodplain management program. This award may be bestowed annually upon a local unit of government that has succeeded in, or has made a noteworthy effort towards, significantly improving its floodplain management program.

Chairman's Award for Outstanding Service in Support of the INAFSM

Established in 1997, this award seeks to recognize an individual with outstanding service in support of INAFSM. This award may be bestowed annually upon an individual (member or non-member) that, in the opinion of the INAFSM Chair, has provided an outstanding service in support of the Association.

Education and Outreach Award

Established in 2015, this award recognizes an Outstanding Education and Outreach program, project, or specialist promoting the advancement of education regarding floodplain and/or stormwater management. This award may be bestowed annually upon a local unit of government, an individual, or a "project owner" and "representing firm".
